Lov-ing, our God is lov-ing. He is lov-ing ev-ery day. So we

praise the Rock of A-ges. Yes we sing His won-drous worth. Come and

join me in prais-ing. He cre - a - ted the un - i - verse.

2. Gracious, our God is gracious.  
He is merciful and kind.  
Patient, our God is patient  
He heals the lame and blind.  
So we blow upon the trumpet,  
And we beat the drum in time.  
Yes we clap our hands together.  
Oh we make our words to rhyme

3. Knowing, our God's all knowing.  
In His hands He holds all power.  
Majestic, our God's majestic.  
He may come at any hour.  
So we bow in adoration;  
We confess our sinfulness.  
Yes we ask You to forgive us,  
And grant us humbleness

4. Righteous, our God is righteous.  
One small sin He won't endure.  
Yet He sent His son to save us.  
By His death God makes us pure.  
So we thank You gentle Jesus.  
By Your death You did atone.  
All mankind to have in friendship.  
No man needs to be alone.
