Admit your need of Him,
You can't do it on your own.
He will pull you from the depths
Of your despair and gloom.
Only open up heart,
Move over and make Him room.

3. Jesus created all,
Jesus is King.
We praise You, gracious Lord,
From our hearts we sing.
You have saved us from our sin,
You have set us free.
Soon You'll come to judge the earth,
Your glory all will see.
